In**

## **Crude & Product Terminal Operations & Retail Marketing**

**(PARTIAL LIST)**

- 1. Metering & Automatic Tank Gauging Systems.**
- 2. LPG Terminal Operation & Safety.**
- 3. Check Before Fixing.**
- 4. Ship Shore Documentation.**
- 5. Sources & Control of Losses in Terminal Operations.**
- 6. Tank Farm Automation Systems Fundamentals.**
- 7. Liquefied Gas Tankers & Jetty Operations.**
- 8. Static & Dynamic Measurement & Control of Oil Movements.**
- 9. Laytime Calculation.**
- 10. Crude & Product Terminal Operations & Safety.**
- 11. Retail Petroleum Marketing.**
- 12. Retail Marketing in Petroleum Stations.**
- 13. التسويق المحلي وتشغيل محطات تزويد السيارات بالوقود**
- 14. Fuel Additives Technology & Applications.**
- 15. Storage Tanks Construction, Inspection & Cleaning.**
- 16. Natural Gas Vehicle Safety**
- 17. Natural Gas Fueling Station Operation & Safety**
- 18. Combined Ship / Company / Port Security**
- 19. تموين الطائرات بالوقود**
- 20. LNG Tankers & Jetty Operation**
- 21. Understanding the Global Lubricants Business**
- 22. Gas Transmission & Distribution Piping System (ASME B31.8)**
- 23. Compressed Gas Cylinders Handling**

National Consultant Centre For Training

- 24. Tank Farm Automation**
- 25. Storage Tanks Construction, Inspection & Cleaning**
- 26. Sources & Control of Losses in Terminal Operation**
- 27. Pumps & Valves Operation & Maintenance**
- 28. Instrumentation & Process Control**
- 29. Storage Tanks Maintenance & Cleaning**
- 30. Piping systems Design & Stress Analysis**
- 31. Piping Fabrication & Construction**
- 32. Pipeline Pigging**
- 33. Metallurgy & Welding Technology**
- 34. Non-Destructive Testing**
- 35. Static & Dynamic Measurements of Crude & Products**
- 36. Ship L Shore Documentation**
- 37. LPG Terminal Operation & Safety**
- 38. Crude & Products Tankers & Jetty Operations & Safety**
- 39. Port Facilities Security Officer Course (Certified)**
- 40. Cathodic Protection Systems for Onshore & Offshore Facilities**
