Cement Courses in UAE - 2016

Sr.	Course Title	Date
1.	Sampling Testing and Quality Assurance in Cement Plant	3-7/1/2016
2.	Safety & Occupational Health in Chemical Labs	10-14/1/2016
3.	Technical Operational Checks & On Job Safety in Cement Plants	17-21/1/2016
4.	Cement Production Technology & Equipment Selection	24-28/1/2016
5.	Cement Chemistry & Laboratory Analysis Techniques	31/1-4/2/2016
6.	Advanced Lab Quality Management System	7-11/2/2016
7.	Grinding Technology & Efficiency in Cement plants	14-18/2/2016
8.	Raw Materials Mix design Problems & Solutions	21-25/2/2016
9.	Burning of Clinker	28/2-3/3/2016
10.	Equipment and Process Function	6-10/3/2016
11.	Physico-chemistry of Cement	13-17/3/2016
12.	Practical Course in Chemical & Physical Lab	20-24/3/2016
13.	Kiln Refractory Bricks Installation	27-31/3/2016
14.	X-Ray Fluorescence Analysis	3-7/4/2015
15.	Chemical Hazards and Mat Handling	10-14/4/2016
16.	Hazards and Risks while Collecting samples.	17-21/4/2016
17.	Raw Cement Mill Operation & Maintenance	24-28/4/2016
18.	Cement Plant Operation & Maintenance	8-12/5/2016
19.	Crushing Process	15-19/5/2016
20.	Cement Quarries Operation	22-26/5/2016
21.	Clinker Grinding, Milling and Separation Cycle Techniques	25-29/9/2016
22.	Kiln and Cooler Safe Operation	9-13/10/2016
23.	Radiation Safety Manual Figures	16-20/10/2016
24.	Packing Plant	23-27/10/2016

National Consultant Centre For Training ^{LTD}

Sr.	Course Title	Date
25.	Combustion, Burners & Flames Adjustment in Kiln Operations	30/10-3/11/2016
26.	Cement Kiln Process Chemistry	6-10/11/2016
27.	Typical Incidents	13-17/11/2016
28.	Chemical & Physical Cement Standards	20-24/11/2016
29.	Rotary Kilns & Clinker Cooler Operation & Maintenance	4-8/12/2016
30.	Gas Flows	18-23/12/2016
31.	Belt Conveyor Selection	25-29/12/2016
